### About Monceau Langues

- Founded in 2004, Monceau Langues group is a leading player in high-end professional foreign language training.
- Since 2013, the Group has been co-directed by Marine LECLERCQ and Katherine ORTMAN.
- Monceau Langues offers different types of tailor-made training courses :
  - Individual or collective classical language courses (about 15 different languages),
  - Specific language courses, specific to a given professional world,
  - Workshops and seminars on a specific company theme, intensive immersion stays abroad.
- The Group meets the growing requirements of its clients by being certified OPQF, Dadatock, Ecovadis and Qualiopi.
- Monceau Langues has developed a diversified portfolio of 150 prestigious active clients (luxury, cosmetics, fashion, media, sport, etc.).

### About Monceau Education Group

- The Monceau Education Group is represented by a group of individuals specialised in education and training led by Grégoire ORFANOS.
- Passionate about the education sector, teachers for many years in higher education institutions, and owners and founders of fast-growing companies specialising in education, they share a real industrial vision and a huge interest in education and training.

## The project

- Now the buyers wish to capitalise on their respective experiences and combine their know-how to develop the activity of Monceau Langues and make it the bridgehead of a "build-up" in the professional language training sector.
- Their approach is entrepreneurial, long-term, aiming to capitalize on the success and the Monceau Langues brand to develop the company.

## Societex Approach

Societex was exclusively commissioned by the shareholders of Monceau Langues to assist them in identifying buyers, negotiating and setting up the transaction.
