

## Press Release – October 2025

### **HANNY, a long-established family business specializing in commercial construction in the Île-de-France region, joins the EJ Group**

#### CONSTRUCTION

acquired 100% of the capital of

- Founded in 1934 and based in Melun (77), HANNY is a family business specializing in structural work, prefabrication of reinforced concrete elements, and asbestos rem.
- The company works in the Île-de-France region with public and private clients, providing structural work alone, all trades (TCE), or design and build services.
- Taken over in 2003 by Loïc and Gilles HANNY, grandsons of the founder, the company has successfully restructured and expanded its business into the tertiary sector.
- HANNY builds healthcare facilities (imaging centers, health centers, hospitals, clinics), educational establishments (middle schools, high schools), commercial buildings, and specific technical structures (hospital clean rooms, P.S.E.M., etc.).
- Today, backed by a solid organization and recognized expertise in the tertiary sector, HANNY employs more than 120 people and has a turnover of around €40 million.

- Based in Le Mans, the EJ Group has nearly 550 employees and 11 subsidiaries covering all areas of construction, from structural work to finishing work. With a turnover of more than €120 million, it relies in particular on recognized entities such as Sadrin Rapin, Le Batimans, Préfa Béton 72, Delaboudinière, DLB Couverture, and Divaré.
- The integration of Établissements HANNY will enable the EJ Group to consolidate its expertise in structural work, particularly in the Paris region, to access major client markets, and to expand its capabilities to better meet the needs of its customers and partners.

### Our advisory mission

- SOCIETEX CF has been exclusively appointed by HANNY's shareholders to seek strategic partners willing to support the company's next phase of development.

### Client testimonial

*"We would like to extend our warmest thanks to the entire Societex team for their support throughout this operation. Beyond their expertise and efficiency, we particularly appreciated the quality of the personal relationships we developed. Thomas, Solène, and the whole team made this project simpler, clearer, and more enjoyable. A special thank you to Clément for his attentiveness, availability, and constant involvement—he was a true partner throughout the process."*
